

All The Earth

Verse 1

Come let us bow down
Lift up a sweet sound
To say You alone are God
And we are Yours

Verse 2

All sons and daughters
Claimed by the Father
With angels we join the song
Singing alleluia

Verse 3

Hear every heart cry
Raised out of new life
Declaring our love as one
Before Your throne

Verse 4

Gathered unbroken
The promise You've spoken
In faith we await the Son
To carry us home

Chorus

Let Your Name o'er all the earth
Roar like the thunder of raging waters
Let the praises of your worth
Swell like the sea
Let the arms of nations rise
In glory and wonder of our Great Father
All creation lifting high
Jesus the King
