

# Power In Your Name

Copyright 2016 Chris Shalter

## Verse 1

Jesus Christ  
Perfect Lamb that was slain  
Righteous One  
Bore the weight of my shame  
For there is no one who is worthy of the cost  
No other Savior born to suffer on the cross

## Chorus 1

And in Your vict'ry I will rise  
The conquered grave restored my life  
For there is power in Your name, Jesus

## Verse 2

Love of God  
Grace that vowed for my soul  
Risen Son  
Tore the veil, made me whole  
And in that moment You reclaimed what once was lost  
For death was buried by the life You gave for us

## Chorus 2

And in Your vict'ry I will rise  
The conquered grave restored my life  
For there is power in Your name, Jesus  
All glory and praise be Yours alone  
The earth will fall before Your throne  
For there is power in Your name, Jesus

## Bridge

The power of hell has come undone  
For our King has overcome  
And every heart will know the power of Your name

## Ending

For there is power in Your name, Jesus  
Oh there is power in Your name, Jesus
