

# Strong In Us

Copyright 2014 Chris Shalter

## Verse

Lord we fall to our knees  
As we lift up our hands  
Broken by our defeat  
Still in vict'ry You stand  
You alone are strong in us  
Bearing all of our sin  
Overcoming the grave  
Death that died on the cross  
Grace that rose in Your name  
You alone are strong in us

## Chorus

Made alive in You  
Every heart made new  
We arise for you alone are strong in us

## Bridge 1

We declare Your name  
Higher than all names

## Bridge 2

We declare Your name  
Higher than all names  
You're the Mighty King  
Lord be lifted high
