

The One Who Saves

Copyright 2017 Chris Shalter

Verse 1

You're my peace through the storm
You're the anchor You're my hope
Upon Your Word I set my eyes
And find You there above the tides

Verse 2

Let Your light guide the way
Every moment be my strength
And I'll find rest within the wings
Of Jesus Christ my only King

Chorus 1

For no love is greater
No wounds were deeper
No word is stronger
No other name can save

But Your love is greater
Your wounds were deeper
Your Word is stronger
The Name that has saved me

Verse 3

Teach my heart only grace
Love and mercy for Your sake
And with my lips speak the Truth
Until this world wants more of You

Chorus 2

For no love is greater
No wounds were deeper
No word is stronger
No other name can save

But Your love is greater
Your wounds were deeper
Your Word is stronger
The only Name that saved me
The only Name that saved me
Jesus You're the One who saved me
